

Catalysts for Good Giving

bespoke philanthropy

Some of the greater things
in life are unseen; that's why
you close your eyes when
you kiss, cry or dream. ”

Philanthropy: giving time, money, experience, skills to create a better world.

Adessy Associates engages with high net worth individuals, families and companies who have a conscious desire to give to society and make a meaningful difference.

We combine business thinking, an entrepreneurial spirit and not for profit intelligence to help our Clients' give in a highly effective way.

Approach

Adessy Associates offers a holistic and highly personal service. We are London based with a virtual network offering UK, European and international expertise, reach and focus.

Our approach is straightforward and simple: uniting people, a desire to change things for the better, a brilliant idea and the ability to implement it with great success.

We advise, support and work with our Clients and together, create a legacy of life changing, transformational opportunities and solutions.

Adessy comes from a Latin word meaning 'to inspire'. We believe this encapsulates the vision of our work with Clients and the difference we make in the world.
